POLICY OF THE LUTHERAN CHURCH
REGARDING ACTIVE AND INACTIVE MEMBERS

AN ACTIVE MEMBER: is one who communes at least one time a year and who contributes to the church.

AN INACTIVE MEMBER is one who has not communed or has not contributed to the church during the past year. If you have contributed to the church our only method of knowing is through your envelope, or if you have sent your contribution to our Financial Secretary. Your communion record is tallied by the Communion record card which is to be filled out at our communion services. Your membership can again be placed on the active roll by communing and contributing during 1962. We trust that you will want to be on the active roll of the church.
